

As you know Sinclair
Broadcasting is
ordering their
stations to
broadcast an
anti-Kerry film,
"Stolen Honor". It
is outrageous that
Sinclair
Broadcasting's
ownership is using
its control of
stations around the
country for such
obvious partisan
political purposes.
The TV airwaves are
a public trust.

The FCC must act to
ensure that Sinclair
either does not
broadcast (or is
penalized) or
presents an
alternative
viewpoint by giving
the Kerry campaign
air time.
